### Santa Barbara City College College Planning Council Tuesday, April 17, 2012 3:00 p.m. – 4:30 p.m. A218C Minutes

#### PRESENT

J. Friedlander, (Chair), Acting Superintendent/President I. Alarcón, Past-Pres., Academic Senate; O. Arellano, VP, Continuing Education; L. Auchincloss, Pres., CSEA; P. Bishop, VP Information Technology; S. Ehrlich, VP HR &LA J. Englert, ASB President; K. Monda, Academic Senate Representative, Chair Planning and **Resources Committee:** K. Neufeld, VP, Academic Senate Rep; D. Nevins, Academic Senate President K. O'Connor, Academic Senate Representative; M. Spaventa, Executive VP Ed Programs;

C. Salazar, Classified Staff Representative J. Sullivan, VP Business Services

ABSENT:

R. Else, Sr. Dir. Inst. Assessment, Research & Planning

#### GUESTS:

- C. Alsheimer, Instructors' Assoc. (IA);
- P. English, Director, HR/LA;
- A. Scharper, Dean, Ed Programs;
- L. Stark, Pres. Instructors' Association;
- L. Vasquez, ITC, Committee;

J. Walker, co-Steward of the Supervisory Bargaining Unit (SBU)

#### 1.0 Call to Order

1.1 Acting Superintendent/President Dr. Friedlander called the meeting to order and asked for the approval of the April 3, 2012 CPC meeting minutes.

# M/S/C (Bishop/Monda] to approve the minutes of the April 3, 212 0 CPC meeting. All in favor.

#### 2.0 Announcements

Dr. Friedlander announced that VP Sullivan will present a review of our current budget situation with the most recent information from the State. This information is what is guiding the college's decision making going forward, which at this point in time is quite challenging in terms of the kinds of decisions we have to make. Currently three budget forums will be held on the SBCC campus and a fourth at the Wake Center is in the planning stages.

#### 3.0 Information Items

3.1 Budget Forums will take place:

Wed., April 18 from 10:00 a.m. - 12:00 p.m. in ECC 32 Tues., April 24 from 2:30 p.m. - 4:30 p.m. in A211 Fri., April 27 from 1:00 p.m. - 3:00 p.m. in H-111

3.2 Topics to be discussed at the Budget Forums1. Year-to-date budget update

- 2. Fiscal outlook for 2012 13
- 3. Budget assumptions for 2012 13
- 4. Best case/worst case budget projections for 2012 13
- 5. Fiscal Year Projections for 2012 13
- 6. Q & A
- 3.3 Review of proposed budget reductions to achieve target of cutting the budget by \$6.5M.

VP, Business Services Sullivan projected his power point presentation that will be presented and discussed at the Budget Forums (topics listed above and below). The goal is to achieve a balanced budget for the 2012 - 13 year. There were questions, suggestions for clarification, and discussion ending with a motion that was passed. 1. Implications for the College if:

- a) The worst case scenario takes place if there is a state budget shortfall and Governor's tax increase measure is not approved by the voters;
- b) Second worse-case scenario if proposed tax increase measure is not approved by the voters in November; and,

c) Best case scenario if there is no reductions in funding as a result of the May revise and state budget for 2012-13 and the governor's proposed ballot initiative to raise taxes is approved by the voters.

- 2. Status of the estimated cost savings of the additional budget reduction strategies identified by the CPC Budget Reduction Work Group.
- 3. Additional budget reduction strategies.
- 4. Implementation of hiring freeze for replacement positions that have not already been approved until after the results of the May Revise are known.
  - a) After a lengthy discussion VP Bishop suggested that a motion be made in order to finalize and make this implementation definite.

# M/S/C (Bishop/Alarcón] that the college will suspend hiring in all areas except for full-time faculty positions that have already been approved, Bookstore Manager and grant-funded positions until the May Revise is known. All in favor.

- 3.8 Facilities/Education Master Plan.
- 3.9 Measure V Priorities.
- 3.10 Additional items.
- 3.3 Next year's dates for CPC.
- 4.0 Action Items

#### 5.0 Discussion Items

5.1 Review of Foundation Fundraising Priorities for 2012-13.

#### 6.0 Adjournment

6.1 Dr. Friedlander stated that we will discuss the other items next time and asked for a motion to adjourn the meeting.

#### M/S/C (Nevins/Alarcon] to adjourn the meeting. All in favor.

6.2 The next CPC meetings will be *TUESDAY, MAY 1, & MAY 15* in Room A218C, 3:00 p.m. - 4:30 p.m.

#### **Potential Projects for Facilities Master Plan**

The determination needs to be made concerning the expenditures for the remaining projects in the Measure V bond fund. \$14.1 million is estimated for the completion of the Humanities building (started with the first take-down) and is included in the requirements for funding with the other projects that have been proposed. The Campus Center is the unknown that will require the postponement of some projects. The analysis below has all of the projects that were postponed or still remaining before the second takedown of the bond. In addition are potential buildings that will be included in the Facilities Master Plan.

The development of the facilities master plan will examine the method of funding for the projects. It is doubtful the state will fund any projects through a capital projects bill in the next few years. The number of projects being ranked by the state is growing rapidly each year making the likelihood of getting even highly ranked projects funded, without extensive support in funding from the District, highly unlikely for the foreseeable future. However all of the projects will be included in the five year plan.

Capital Construction - Project	 Estimates	Description
Wake Center Modernization or Replacement	\$ 39,000,000	The facilities master plan will include the requirements to bring the Wake Center up to current code. An evaluation will take place to determine if the replacement of the buildings would be lest costly. Also, it will be determined if putting a new structure and a parking structure on this sight would enable the District to house growth on the campus.
Schott Center Modernization or Replacement	\$ 7,084,680	The Schott Center is a highly ranked project for state funding. The project will be included in the five year plan. This is a very small facility with very limited parking. There is no potential for growth.
Administration Modernization	\$ 9,935,296	The Admin building is a highly ranked project for state funding. The project will be included in the five year plan.
Campus Center Modernization or Replacement	\$ 28,000,000	The analysis for the Campus Center was Renovation \$13,971,026; with GDR \$16,785,026. For replacement \$17,023,375; with GDR \$20,308,375. This is construction only. Soft costs of 40% would be approximately \$8 million. The decision is to replace the building.
60,000 sqft. East Campus Office and Classroom Building	\$ 30,000,000	This building will go into the footprint of the SOMA building. The purpose of this is to replace the temporary buildings in the East Campus.
30,000 sqft. West Campus Office and Classroom Building	\$ 15,000,000	This building will be used to replace the temporary buildings on the West Campus. It will be placed where the temporary buildings are next to the Garvin and Facilities buildings.
Energy Efficiency (solar) Projects		Continue to pursue energy efficiency projects including alternative sources of energy.
Physical Science - East Wing Modernization		Included in Five Year Construction Plan
Physical Science 101 Modernization		Included in Five Year Construction Plan

Fund 42000 -- Bond Construction Fund

The estimates for the deferred maintenance projects will be for example purposes only. If it is determined that the District will pursue a bond the balance of the amount sought in the bond will determine how many of the projects will be completed.

#### Bond Construction Fund Analysis - March 2012

The determination needs to be made concerning the expenditures for the remaining projects in the Measure V bond fund. \$14.1 million is estimated for the completion of the Humanities building (started with the first take-down) and is included in the requirements for funding with the other projects that have been proposed. The Campus Center is the unknown that will require the postponement of some projects. The analysis below has all of the projects that were postponed or still remaining before the second takedown of the bond. In addition are potential buildings that will be included in the Facilities Master Plan.

The development of the facilities master plan will examine the method of funding for the projects. It is doubtful the state will fund any projects through a capital projects bill in the next few years. The number of projects being ranked by the state is growing rapidly each year making the likelihood of getting even highly ranked projects funded, without extensive support in funding from the District, highly unlikely for the foreseeable future. However all of the projects will be included in the five year plan.

Capital Construction - Project	Estimates	Description
Wake Center Modernization or Replacement	·	The facilities master plan will include the requirements to bring the Wake Center up to current code. An evaluation will take place to determine if the replacement of the buildings would be lest costly. Also, it will be determined if putting a new structure and a parking structure on this sight would enable the District to house growth on the campus.
Schott Center Modernization or Replacement		The Schott Center is a highly ranked project for state funding. The project will be included in the five year plan. This is a very small facility with very limited parking. There is no potential for growth.
Administration Modernization		The Admin building is a highly ranked project for state funding. The project will be included in the five year plan.
Campus Center Modernization or Replacement		The analysis for the Campus Center will be complete by summer. The determination of fix or replace and cost estimate will determine the funding approach.
60,000 sqft. East Campus Office and Classroom Building		This building will go into the footprint of the SOMA building. The purpose of this is to replace the temporary buildings in the East Campus.
36,000 sqft. West Campus Office and Classroom Building		This building will be used to replace the temporary buildings on the West Campus. It will be placed where the temporary buildings are next to the Garvin and Facilities buildings.
Energy Efficiency (solar) Projects		Continue to pursue energy efficiency projects including alternative sources of energy.

#### Bond Construction Fund Analysis - May 20, 2011

The determination needs to be made concerning the expenditures for the remaining balance in the Measure V bond fund. \$14.1 million is estimated for the completion of the Humanities building (started with the first takedown) and is included in the requirements for funding with the other projects that have been proposed. The Campus Center is the unknown that will require the postponement of some projects. The analysis below illustrates that there would be a shortfall of approximately \$??? million if all projects were completed.

The Adjusted Budget below is based on the bond measures original estimates plus adjustments for projects that have been completed, are in process or have not yet been started, prior to the decision to postpone SOMA. Of the projects not yet started the recommendation is to postpone some of these projects. Some of the projects have been rolled into major modernization projects (e.g. Humanities and Campus Center) and some projects may be started in the future. The adjusted budget covers the first sale of the bond for \$47,000,000 plus interest earned todate. For the completed projects the Proposed Budget may be actual cost or an estimate of the total cost pending the final change order.

The Projects in Process are only estimates, any potential overruns will need to be funded from the college construction fund or the Measure V.
